Letter No. 1095 dated 13th November 1901 from the Chief Commandant Mysore State Troops.

Wound pension of the 3rd degree to Abdul Majeed late Lance Daffedar No. 18 of 1st Troop, Local Service Regiment of the Mysore Horse.

Abdul Majeed has rendered a qualifying Service of 28 years and 3 months. It is reported that he has become permanently incapacitated for further service owing to the fracture of the left leg. The Chief Commandant recommends for him a wound pension of Rs 7-14-0 per measem.

Under art: 359 of the 1st edition of the Mysore Service Regulations, "wound pensions" were payable to Silledars and Sepoys provided they become

become unfit for further service from injuries sustained in the execution of public duty from no fault of their own and they have no relative fit to be entertained in their stead. The Chief Commandant being requested to report whether the Daffedar in question has no relative fit to be entertained in his stead, states that a Son of the Daffedar has been enlisted as a Sowar in the same Regiment but that this Sowar is unable to protect his father. In such circs it appears that the Daffedar in question is not entitled to the wound pension recommended and he may be given an ordinary pension of Rs 4/- under art. 359 of the 2nd edn of the Service Regulations.

But it is submitted that Abdul Najeed has been retired from Service with effect from 15th January 1900. Hence under Art 5 of the Service Regulation, his claim to pension is to be governed by

by the rules in force at that time i.e those promulgated in Govt Pro: No 1230-31/94 d: 4/1/00. The rules embodied in this Pro:, which have been incorporated in the 2nd edn of the Mysore Service Regns, do not refer to any of the provisions mentioned in art 359 of the 1st edn. Further it is also doubtful whether the words "Silledar" and "Sepoys" used in art 359 do not apply to those classes only.

The wording of clause suggests that it applies only to Silledars & Sepoys.

In these circs orders are solicited as to whether a wound or an ordinary pension is to be granted to the Daffedar in question.

As the Government order No 1886-7-22 dated 26th June 1884 referred to in Pro. No 1230-31/94 & 4th January 1900 recognises the principle of granting wound pensions to even Silledars & Sepoys,

and as in the present case the applicant's incapacity is certified to be due to fracture of the left leg – the result of a kick from a horse – he seems to be entitled to the pension of Rs 7–14–0 per mensem recommended by the Chief Commandant.

The expression "Military Asst" in art 365 is a mistake for "Chief Commandant" In the 1st edn, the expression "Military Secretary" had been

Now the two offices having been separated and held by different officers and as the Chief Commandant only deals with pension cases, but not the ~~Mod~~ Military Asst, the expression "Chief Commandant" should have been used in art 365 of the revised edition.

Whether the pension roll should be subd to Govt by the Ch: Commandant or the Military Asst.

The Comptroller was written to in this office docket — No. 13838/DLA957 d: 21/2/02 and his reply (letter No. 6357/675 d: 11th April 1902) is herewith submitted. With refce to the 1st enquiry, noted in the margin, the Comptroller says that as at the time ant: 365 was introduced into the Regulations, the Military Asst was virtually the Head of the Military Dept, the words "Military Asst" were inserted which were allowed to stand in the 2nd edition and that as the Chief Commandant is now the Head of the Military Dept, pension applications on behalf of the Mysore State troops should be submitted by him and not by the Military Asst.

This fact, the Comptroller had represented× to Govt in his letter No.

The chief commandant also requests that the words "chief-commandant" may be substituted for the words "Military Agent" in articles 365 and 366.

With reference to the 2nd query marginally noted, he says that as the Dafferdar did not resign his appt he is entitled to wound pension under art: 363 and not to ordinary pension under art: 356.

As for the omission of art: 359 in the 2nd edition, he says that the art: was inserted in the draft× copy of the 2nd ~~ed~~ edition of the Service Regulations revised in his office and sent to Govt with his letter № 2778 d: 21-10-97 but it has been omitted while

MEDICAL CERTIFICATE

UNDER SECTION 51 OF THE CIVIL PENSION CODE.

The form of the certificate to be given respecting an officer applying for pension in India is as follows:—

Certified that I have carefully examined Lance Duffedar Abdul Wajeed son of Sheik Dawood, a Lance Duffedar in the Local Service Regmt. His age is, by his own statement, 54 years, and, by appearance, about 54 years. I consider him to be completely and permanently incapacitated for further service of any kind (~~or in the Department to which he belongs~~, in consequence of fracture of the left leg by fall of a tree while on duty. His incapacity does not appear to me to have been caused by irrigular or intemperate habits.

(If the incapacity does not appear to be complete and permanent, the certificate should be modified accordingly and the following addition should be made :—)

of opinion that is fit for further service of a less laborious character than that which he has been doing, (or may, after resting for months, be fit for further service of a less laborious character than that which he has been doing.)

Sir,

With reference to your letter No.13838/957 of the 21st February last, I have the honor to state that Pension applicatio should be submitted to Government by Heads of Departments concerned (vide Art:474 Mysore Service Regulations) and as at the time Art: 365 was introduced into the Regulations, the Military Assistant was virtually the head of the Military Department, the words "Military Assistant" were inserted which were allowed to stand in the 2nd Edition of the Regulations- I am therefore of opinion that as the Chief Commandant is now the head of the Military Department Pension applications on behalf of the Mysore State Troops should be submitted by him and not by the Military Assistant.

In reference to the 2nd point as to why Art:359 of the 1st Edition of the Mysore Regulations has not been embodied in the second edition, I beg to state that in the draft copy of the Regulations as revised in this Office and submitted to Government with My No.2775 of the 21st October 1897 this Art: was inserted but it appears to have been omitted while sanctioning and issuing the 2nd Edition.

As the late Lance Duffedar Abdul Hageed did not resign his appointment he is entitled to wound Pension under Art:363 and not to ordinary pension under Art: 356.
